Summary from Cookhill Parish Council meeting held Tuesday 10th April 2018.

PARISH COUNCIL UPDATES:

Severn Trent Water

Severn Trent Water are currently working in Cookhill to replace the water main running along the length of the village. Severn Trent advise that works will carry on for the next 18 months, with road closures to ensure work can be carried out safely.

The Parish Council have been assured that everything will be done to minimise disruption and residents will still be able to access their properties whilst sections of the road are closed. Sections of the A441 will be closed during the works, with a diversion route in place for the duration of approximately 10 weeks. Mr Hale from Amey, contracted by Severn Trent Water, will be available to answer questions about the works at the next Parish Council meeting on the 8th May.

Contact the clerk info@cookhillparishcouncil.com for more information.

VAS on Edgioake Lane – The new vehicle activated sign has now been installed on Edgioake Lane.

Community Speed Watch

A new radar unit has now been received by the Parish Council but, unfortunately, inclement weather has stopped the Community Speed Watch Team taking to the roads on Edgioake Lane. They are hoping to be able to start their sessions soon.

If you would be interested in volunteering to take part in the scheme – there will be a further training session coming up in the near future. Please contact the clerk on 07584687283 or email – info@cookhillparishcouncil.com

Verges

The Parish Council wished to point out that verges outside houses are the property of Highways, and not the homeowner. Placing items on the verge is illegal. If you would like to know where the curtilage of your property ends please contact the clerk.
