Summary from Cookhill Parish Council meeting held Tuesday 11th July 2017.

PARISH COUNCIL UPDATES:

Natural England – The Council have received a letter from Natural England on behalf of DEFRA as they would like to carry out a botanical survey of natural grassland owned by the Parish Council. The Councillors requested a copy of the survey.

Weed-killers & Pesticides – Following the notification of new regulations regarding the use of industrial weed-killers and pesticides the Council discussed whether a member of the allotments committee should take part in the relevant course to enable the continued use on the site and bordering Ridgeway Meadows. It was discussed as to whether the Lengthsman has these qualifications. The Council can now confirm that this qualification is held by one of the team and so work can continue safely around the Parish.

Dog Waste Bins – The bin at the bottom of Oak Tree Lane is currently inaccessible and the Council agreed that it should be relocated to the footpath sign further up.

Cookhill Village Hall – Aber Valley Male Voice Choir performed at the Church on 8th July and afterwards at the Village Hall. The event was well supported with donations from people attending the event. The Village looks forward to welcoming them back to Cookhill again soon.

Playing Field – The damaged swing on the Playing Field will be replaced with a swing suited to older children. Unfortunately the swing is out of warranty as it was purchased in 2014. The replacement was agreed by all Councillors
