Summary from Cookhill Parish Council meeting held Tuesday 12th July 2016

PARISH COUNCIL UPDATES:

1. **CLA Game Fair, Ragley Hall** 29th to 31st July 2016 – Mr Tony Wall, Director of the Game Fair, attended the meeting to answer questions about the event. He explained how traffic heading to the event would be organised and provided the Council with emergency contact details should there be any issues. Residents are asked to contact the clerk if they have any questions or concerns.
2. County Councillor Clive Holt reported that works will soon be carried out to repair the roads and potholes in the area under the 'Driving Home Project'. Roads in Cookhill scheduled for the works are Cladswell Lane, Lower Cladswell Lane and Wood Lane, along with several others.
3. Reports of scams targeting the elderly and vulnerable were highlighted by Cllr Bennett. The Council agreed that information on how to deal with these nuisance calls should be circulated as soon as possible.
4. The clerk advised that the Council's request for funding towards updating the children's play equipment was due to be reviewed by Wychavon shortly. As soon as a decision has been made the equipment will be ordered.
5. The Council discussed the maintenance of the boundary to the new houses at Ridgeway Meadows. It was agreed that the footpath behind the gardens would need to be maintained.

6. Speeding along the Ridgeway was, once again, discussed by the Council after a complaint was received from a Parishioner about motorcyclists speeding along this stretch of road. The possibility of taking part in the Community Speedwatch Scheme was discussed but Councillors advised that although this would be a good idea the location of a speed camera further along the road meant that the scheme would not be sanctioned for this stretch. The clerk advised that the new Police Commissioner, Mr Campion, would be attending the November Parish Council meeting and it was suggested the speeding be discussed then.

Planning: the Parish Council has asked Wychavon District Council (WDC) to send notification to us of all planning applications that fall within the parish boundary, these are then discussed at a parish council meeting and the ensuing comments are submitted to WDC.
